DECLARATION OF ANJALI JAIN PURSUANT TO 37 CFR 1.132

I, Anjali Jain, declare and state as follows:

1. Cedars-Sinai Medical Center is the assignee of the entire right, title and interest of the above-referenced patent application.
2. I am one of the inventors named in the above-referenced patent application.
3. I am a co-author of the journal publication by Hedvat *et al.* (CANCER CELL, 2004 JUNE: 5: 565-574). Dennis A. Carson, Lorenzo M. Leoni, Ganghua Huang, Stuart Holden, Desheng Lu, Maripat Corr, and William Fox are co-authors of the aforementioned article, but are not co-inventors of the subject matter of the instant application. To the extent that the instant invention is described in the

aforementioned article, it describes solely the work of Michael Hedvat, David Agus and myself.

4. I hereby declare that all statements made of my own knowledge are true and that all statements made on information and belief are believed to be true, and, further, that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application and any patent issued thereon.
